A close-up photograph of a bird, possibly a hawk or eagle, being rinsed with a high-pressure water hose. The bird has brown and white feathers and bright orange eyes. It is looking directly at the camera. A hand is holding the hose, which is spraying water onto the bird's head and back. The background is a blurred green, suggesting foliage. The word "RINSE" is overlaid in large white letters on a dark horizontal band across the middle of the image.

RINSE

A blue circular sign with a white circular arrow pointing clockwise. The word "REPEAT!" is written in bold white capital letters across the center of the sign. The sign is mounted on a pole. In the background, there is a building with a mural of a red biplane and a pilot, and a clear blue sky.

REPEAT!
